

# MUHAMMAD ABDULLAH TARIQ

Hafiz-ul-Qur'an · Multi-Cloud Security Architect · CISSP · CCSP AWS · Google Cloud · Microsoft Azure Certified

Assalamu Alaikum wa Rahmatullahi wa Barakatuh

6+ Years Enterprise Experience	60+ Certifications Globally Recognized	5 Cloud Environments Under Management	50+ Applications Powering Global Ops
--------------------------------	--	---------------------------------------	--------------------------------------

## PERSONAL

Full Name	Muhammad Abdullah Tariq
Age	26 years
Height	5'11" (180 cm)
Religion	Muslim — Hafiz-ul-Qur'an
Location	Karachi, Pakistan
Residency	13 years in Kuwait · 13 years in Pakistan
Languages	Urdu (Native) · English (Native/Bilingual) · Arabic (Proficient/Bilingual) · German, French, Chinese, Japanese (Basic)
Family	Eldest of 4 brothers; 3 married sisters (Alhamdulillah). Parents are respected, religious, and family-oriented.

## DEEN & VALUES

- Completed **Hifz-ul-Qur'an** from Markaz Ul Usman, Khaitan, Kuwait.
- **4 years of formal Islamic Sciences** at Dar Ul Quran (Markaz Abdullah Al Mutawwa, Rumaithiyah, Kuwait) — covering Seerah, Tajweed, Hadith, Aqeedah, Fiqh, and Tafseer.
- Regular in **Salah & Taraweeh**. Strives for a meaningful balance between Deen and Dunya.
- Spent **4 months in Tablighi Jamaat** — committed to Da'wah and community service.
- Values **honesty, humility, self-discipline**, and the preservation of strong family bonds.

**Future Goal:** To continue lifelong learning, with the heartfelt intention to study in Madinah later in life, InshaAllah.

---

## EDUCATION

### Islamic Education

- **Hifz-ul-Qur'an** — Markaz Ul Usman, Khaitan, Kuwait
- **4-Year Islamic Sciences Program** — Dar Ul Quran, Rumaithiyah, Kuwait

### Academic & Professional Education

- **Bachelor of Science in Cybersecurity** — ILMA University, Karachi
- **Diploma in Artificial Intelligence Operations** (EduQual Level 6) — Al Nafi International College

### Elite Industry Certifications

- **CISSP** · Certified Information Systems Security Professional (Associate) — ISC2 The gold standard in global cybersecurity — recognized internationally as equivalent to a Master's-level credential.
  - **CCSP** · Certified Cloud Security Professional — ISC2
  - **60+ Professional Certifications** from globally recognized bodies — AWS, Google Cloud, Microsoft Azure, CompTIA, and more. All independently verifiable on Credly.
- 

## CAREER

**Lead CloudOps Manager & Multi-Cloud DevSecOps Engineer** *Global Technology Solutions · Multinational Enterprise*

- **6+ years** of enterprise-level experience in DevSecOps, Cloud Infrastructure, and Cybersecurity — trusted to lead mission-critical operations.
- Personally manages **5 multi-cloud production environments** (AWS, Google Cloud, Azure) powering **50+ applications** with a **99.9% uptime guarantee**.
- Leads high-impact initiatives in **infrastructure monitoring, security hardening, and cloud cost optimization** across global operations.
- One of the few professionals **certified across all three major cloud platforms** — a rare distinction reflecting deep, cross-platform mastery.
- Recognized by senior leadership for **proactive problem-solving**, meticulous documentation, and consistently exceeding delivery expectations.
- Currently leading a flagship **client-side monitoring project** spanning 23 sites across 5 high-priority enterprise clients — demonstrating end-to-end ownership from technical design to stakeholder delivery.
- Operating in one of the **most in-demand and future-proof** technology fields globally, Alhamdulillah.

## Career Vision

I believe in **building systems that outlast me** — my philosophy is to create self-sustaining infrastructure and processes so robust that they run without intervention. This mindset of "making myself redundant" is what drives me to automate, document, and architect at the highest level.

---

## ⚡ PERSONALITY & INTERESTS

### Sports & Fitness

An active multi-sport athlete across **9+ disciplines** — Football (competitive level), Cricket (all-rounder), Table Tennis, Tennis, Volleyball, Boxing, Wrestling, Dodgeball, and regular Gym training. Believes in maintaining **peak physical fitness** alongside spiritual and intellectual growth.

### Intellectual Pursuits

- Avid **Chess player**, natural problem-solver, and dedicated **non-fiction reader** (50+ books read — strategy, philosophy, leadership, and cybersecurity).
- Core reading includes: **The Book of Five Rings** (Miyamoto Musashi), **Meditations** (Marcus Aurelius), **The Art of War** (Sun Tzu), **Extreme Ownership** (Jocko Willink), alongside the Quran and Hadith collections as the ultimate foundation.
- Lifelong learner of technology — actively exploring cutting-edge fields including **AI, Cloud Security, and Automation**.
- Speaks/studies **7 languages** — a reflection of curiosity about cultures, people, and the world.

## Personal Philosophy

▮ *"Get better every day, conquer yourself, then the World."*

- Deep commitment to **self-reflection, self-acceptance, and self-mastery**.
- Believes in the power of **incremental improvement** — striving every single day to become a better version of himself.
- A builder at heart — whether it's building secure cloud systems at work, building his knowledge through books and certifications, or building meaningful relationships with family and community.
- Occasionally enjoys **cooking fusion dishes**, but primarily invests time in sports, learning, and personal development.

## Anime & Storytelling

Values the lessons embedded in great storytelling — from the **equivalent exchange philosophy** of Fullmetal Alchemist, to the **never-give-up spirit** of Naruto, to the **pursuit of dreams** in One Piece. Finds that the best stories mirror life's deepest truths about perseverance, sacrifice, and growth.

---

## 🧡 LOOKING FOR

Seeking a **practicing Muslimah** of good character, modesty, and strong family values — someone who:

- **Cherishes her Deen** and strives to grow in faith alongside her partner.
- **Has goals, ambitions, dreams, and a purpose** — and is actively working to pursue and achieve them. I deeply admire a woman with drive and direction, someone who has her own vision for her life and is building toward it with intention, just as I strive to do every day.
- Embodies **compassion, mutual respect, and emotional maturity**.
- Values **partnership** — where both husband and wife support, challenge, and elevate each other.
- Is ready to build a **righteous, loving, and supportive home** together, InshaAllah.

▮ I'm not just looking for a companion — I'm looking for a **teammate**. Someone whose ambitions I can champion, whose dreams I can support, and who will do the same for mine. Together, we grow closer to Allah and closer to the best versions of ourselves.

---
