LOOKING FOR — The Partner I Seek

"And among His signs is that He created for you spouses from among yourselves so that you may find comfort in them. And He has placed between you compassion and mercy." — Surah Ar-Rum: 21

Deen & Character — The Foundation

I'm seeking a **practicing Muslimah** who:

-  **Committed to Salah** — Regular in her prayers and striving to improve

 -  **Good Character (Akhlaq)** — Embodies honesty, kindness, humility, and respect
 -  **Modesty in Appearance & Behavior** — Observes proper Islamic dress and conduct
 -  **Balanced Approach** — Strives for excellence in both Deen and Dunya
 -  **Continuous Growth** — Actively working to strengthen her relationship with Allah
-

Ambition & Purpose — The Drive I Value Most

This is absolutely essential:

I'm looking for a **goal-oriented partner** who:

-  **Has Dreams & Ambitions** — Clear vision for what she wants to achieve in life
-  **Values Education & Growth** — Whether in Islamic studies, professional development, or personal skills
-  **Actively Pursuing Goals** — Not just dreaming, but taking concrete steps every day
-  **Self-Motivated & Disciplined** — Doesn't need constant pushing; has internal drive

-  **Growth Mindset** — Believes in continuous improvement and embraces challenges

This could be:

-  Pursuing higher education or professional certifications
-  Building a meaningful career in any field
-  Developing creative talents or entrepreneurial ventures
-  Deepening Islamic knowledge and community work
-  Working on personal development projects
-  Planning to make a positive impact in any sphere

What I value: A partner who understands that **marriage doesn't mean abandoning dreams** — it means building dreams together. Someone who will **inspire me** as much as I hope to inspire her.

Personality & Compatibility

Looking for someone who is:

-  **Good Communicator** — Can express thoughts, feelings, and concerns openly and respectfully
-  **Intellectually Curious** — Enjoys learning, exploring ideas, and having meaningful conversations

Dealbreakers — What Won't Work

To be completely honest:

-  Someone without goals or purpose — I can't build with someone who isn't building themselves
 -  Neglect of Islamic obligations (particularly Salah)
 -  Lack of basic modesty or Islamic values
 -  Unwillingness to communicate or work through challenges
 -  Materialistic mindset focused only on appearances or wealth
 -  Expecting traditional gender roles without partnership and mutual respect
-

-

In Summary

I'm looking for a **partner, not just a spouse** — someone who:

-  Shares my Islamic values and commitment to Deen
-  Has her own ambitions and is actively pursuing them
-  Wants to build a growth-oriented marriage, not a stagnant one
-  Values communication, respect, and continuous improvement
